(Answer the questions 9 – 10 according to the paragraph.)

Hello, everybody! I'm Oliver. I am a teenager. Sometimes I have nothing in common with my family. For example, I like spending time in the Internet. I take selfies and share these photos on social media. I also follow trending topics and write comments about them. But my parents think the social media isn't a real world that people aren't honest with the others. Maybe they are right. As a teenager, I should pay more attention to what they say.

9. According to the paragraph, which one is **CORRECT**?

- A) Oliver always has lots of things in common with his parents.
- B) Oliver is in trouble with his family about the Internet.
- C) Oliver thinks his parent may tell the truth about the social media.
- D) Oliver's family spends time on social media.

10. According to the paragraph, Oliver's parents are ---

- A) realistic and care about being truthful.
- B) protector of cultural heritage.
- C) follower the rules in the social life.
- D) sensitive about their history.
